

# Kentucky DSL Coverage September, 2002

This map was developed by the **Technology Policy Group** at the **Fisher College of Business, The Ohio State University** for **ConnectKentucky**, a project sponsored by **Governor Paul Patton** of Kentucky and **CITE, Inc.**, Bowling Green, KY. This data is harvested from numerous public and private sources and has been validated by telecommunications and cable providers representing substantially all service provided through xDSL and cable modems as of September 2002. Data is collected on a standard GIS platform and is available for more detailed analysis.
